

Good afternoon,

Recently, the Texas Education Agency has redesigned its STAAR report cards for all students to improve communication and transparency with educators and families.

The report cards for the March and May STAAR/EOC assessments are available online.

To access the report cards:

1. Go to [www.texasassessment.com](http://www.texasassessment.com)
2. Click on "Login To Student Portal"
3. Click on "Look Up Access Code"
4. Enter first name, social security number for PEIMS ID and date of birth
5. Click "Go"
6. The access code will populate and click "Go" again
7. To see the full STAAR student report card click on the name of the test
8. Approaches Grade Level is considered satisfactory or passing by state standards
