Big Spring Independent School District Moss Elementary Campus Improvement Plan 2020-2021

Mission Statement

The *Core Principles* that will guide the decisions of the school system are:

Recruit and retain highly qualified staff.

Maintain integrity and professionalism at all times.

Provide a caring and safe environment.

Ensure instructional time is valued.

Provide ongoing meaningful professional development.

Design and deliver relevant and engaging instruction.

Vision

The <u>Vision</u> of Big Spring ISD is to instill respect and pride in all by empowering our community of learners ~ staff and students ~ to unite and commit to educational excellence.

Comprehensive Needs Assessment

Demographics

Demographics Summary

Moss elementary is a diverse student population currently comprised of over 480. We serve students in kindergarten, first grade, and second grade. 64% of our student population is Hispanic/Latino. 27.3% is White. The remaining percentages are less than 4% each of African American, Asian, and Native American. 15.3% of our student population is currently being served through special education services. We are 43%boys and 47% girls. Currently 2% of the population is identified as an ELL.

Demographics Strengths

We are diversified and use or differences to drive our instruction. We place a focus on vocabulary development for our ELL and Special Education populations which in turn helps all of our students who have deficient vocabulary skills. This imporves our reading instruction for all demographic groups.

Problem Statements Identifying Demographics Needs

Problem Statement 1: Classroom sizes are at peak levels causing teacher to student ratio to be greater than the 21:1 which disallows for small group remediation as often as some students need. **Root Cause:** The neighborhood around the school is experiencing a large housing incline leading to more families moving into our attendance zone. The housing increase coupled with the new school reconfiguration is causing an influx and therefore makes the class sizes grow.

Student Learning

Student Learning Summary

Following the first administration of the NWEA Reading assessment it was shown that we had 32% of students falling in the Tier III range, 25% in Tier II range, and 42% in Tier I. A breakdown of the grade levels is exemplified on the following table.

	Tier 3	Tier 2	Tier 1
Kindergarten	16%	37%	47%
First Grade	35%	19%	46%
Second Grade	37%	21%	42%

Student Learning Strengths

We have fewer kindergarteners coming to us with little to no background in reading. Our tier I group for both first and second grade is close to a majority of the students. We continue to implement iRead as well as our new ELAR adoption HMH.

Problem Statements Identifying Student Learning Needs

Problem Statement 1: The number of Tier III students in the first and second grade is almost equal to that of the number of Tier I students in first and second grade. This causes our Tier I instruction to be less effective due to the amount of scaffolding that must occur. The number of Tier III students needs to decrease by 50% in order to more effectively facilitate classroom and RTI instruction. **Root Cause:** Students came to kindergarten without all the foundational skills needed to be able to move at an appropriate instructional pace.

School Processes & Programs

School Processes & Programs Summary

All students are being instructed with our new reading adoption by HMH. The new adoption follows a balanced literacy model eliminating teaching reading elements independently. We supplement the reading adoption with iRead which helps to scaffold for students who have gaps. The adopted math is GoMath. Science Fusion and Social Studies Weekly round out the four core areas. Accelerated reader and Mathletics are purchased online programs to help students in the computer labs. Teahers are given a 50 minute PLC time everyday to discuss the needs of students and to better plan for the instruction.

We utilize our MCL in the kindergarten grade level so that we can help to get all students in front of strong practices and instruction at their first year.

Moss has a very seasoned staff of teachers who are highly qualifed in their fields. We recruit teachers at job fairs and promote our school through facebook and other social media outlets.

School Processes & Programs Strengths

We have systematic approaches in place to grow students. Through vertical and horizontal alignment, the kids see the same programs and each program has a defined start and stop point for each level. RTI time is used to enrich the learning of students who are beyond the general scope and sequence and to remediate the students who are having difficulties.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: The current students are still experiencing a difficulty with reading at the first grade level. This is causing students to be behind at second grade and beyond. We want to ensure that all students are reading on grade level before they move to the third grade campus. **Root Cause:** Students were not leaving kindergarten with all of their letters and letter sounds as well as early blends.

Perceptions

Perceptions Summary

The culture and climate of Moss for staff and faculty is postitive and vision driven. The faculty understand that our goal is to treat students equitably and to ensure that they are reading on or above grade level.

The community embraces Moss and we have several business supporters who will help to fund or manage events. In turn, Moss is dedicated to helping the community at large through donations and functions.

Perceptions Strengths

We routinely give back to the community and are well received by parents and community members.

Priority Problem Statements

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

• District goals

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Accountability Distinction Designations
- Federal Report Card Data

Student Data: Assessments

- State and federally required assessment information (e.g. curriculum, eligibility, format, standards, accommodations, TEA information)
- STAAR Released Test Questions
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Running Records results
- Observation Survey results

Student Data: Student Groups

- STEM/STEAM data
- Dyslexia Data

Employee Data

- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact

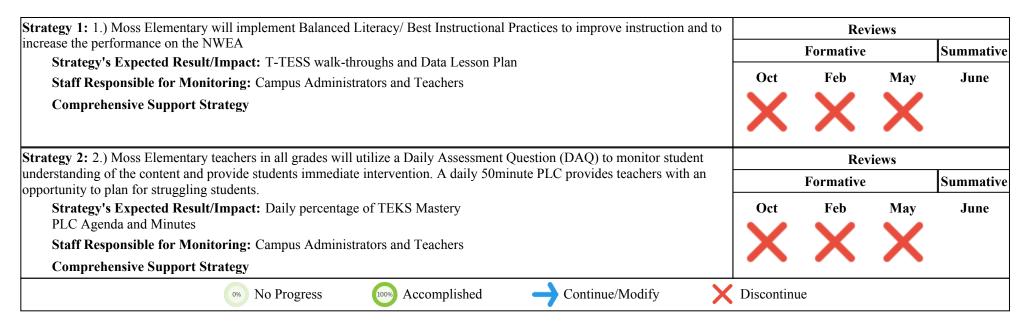

Goals

Goal 1: All student groups at Moss Elementary will perform at or above the 35th percentile on the NWEA reading assessment.

Performance Objective 1: Moss Elementary will use data and instructional best practices to increase the number of students passing and also increase the number of students meeting Tier I Performance Standard in each subgroup on the NWEA.

Evaluation Data Sources: District Assessments and NWEA Data

Summative Evaluation: None

Performance Objective 1: Moss Elementary will recruit and maintain a highly qualified staff according to ESSA and/or SBEC standards, and will actively participate in professional development.

Evaluation Data Sources: ESSA Report

Summative Evaluation: None

Strategy 1: 1.) Moss Elementary administrators will receive names and resumes from HR director of highly qualified		Rev	iews	
candidates.		Formative		Summative
Strategy's Expected Result/Impact: NCLB report, Application files, Sign- in Sheets Staff Responsible for Monitoring: Principal and Director of Human Resources Comprehensive Support Strategy	Oct	Feb	May	June
No Progress Accomplished — Continue/Modify	Discontinu	ie		

Performance Objective 2: Provide a systemic, job-embedded framework for offering continuous learning opportunities of successful practices that meets the needs of the campus.

Strategy 1: Moss Elementary will actively participate in professional development as well as offer ongoing professional		Rev	iews	
development through the 50 minute PLC.	J	Formative		Summative
Strategy's Expected Result/Impact: Teachers will be able to better facilitate the adopted curriculum in the classroom and therefore lead to higher results on the NWEA.	Oct	Feb	May	June
Staff Responsible for Monitoring: Campus Administrators, District Curriculum and Instruction Coordinator, Director of School Improvement	X	X	X	
Comprehensive Support Strategy				
No Progress Accomplished — Continue/Modify	Discontinue			

Performance Objective 3: Develop leadership systems, and have our campus pledge to ensure student success.

Strategy 1: Campus Administrators will participate in ongoing professional development geared at best instructional practices.		Rev	riews	
This training will then be used to train teachers during PLC.		Formative		Summative
Strategy's Expected Result/Impact: By increasing the professional development of the campus instructional leaders then we can increase the capacity of our teachers.	Oct	Feb	May	June
Staff Responsible for Monitoring: Campus Principals				
Comprehensive Support Strategy	X	X	X	
No Progress Accomplished — Continue/Modify	Discontinu	ie		

Performance Objective 4: Moss Elementary will participate in the Tech Teach program to train, hire and retain, highly qualified staff members from the surrounding area.

Goal 3: Moss Elementary will develop partnerships with Big Spring business organizations, parents, and community members.

Performance Objective 1: Moss Elementary will continue to develop partnerships with local businesses and civic organizations to benefit the students of the district.

Strategy 1: Moss Elementary will build a network of community partners such as Howard College and Greater Rotary Club of		Rev	iews	
Big Spring.		Formative		Summative
Strategy's Expected Result/Impact: Increasing community involvement, increases the community awareness of our educational needs.	Oct	Feb	May	June
Staff Responsible for Monitoring: Campus Administrators and staff	X	X	X	
Strategy 2: Use local news media and social media as a venue to promote campus projects and successes.		Rev	iews	
Strategy's Expected Result/Impact: Increasing the positive media output, helps the community to see the positive impact that the education at Moss is having on students social and emotional growth.		Formative		Summative
Staff Responsible for Monitoring: Campus Administrators	Oct	Feb	May	June
	X	X	X	
No Progress Accomplished — Continue/Modify	Discontinu	ie		

Goal 3: Moss Elementary will develop partnerships with Big Spring business organizations, parents, and community members.

Performance Objective 2: Moss Elementary will put into operation programs, activities, and procedures for the involvement of parents in all of its schools with Title I, Part A programs, consistent with section 1118 of the Elementary and Secondary Education Act (ESEA).

Strategy 1: Moss will implement a Parent Advisory Council or a Parent Community Group.		Rev	iews	
Strategy's Expected Result/Impact: Increasing the parent involvement will increase student achievement through parent progress monitoring.		Formative		Summative
Staff Responsible for Monitoring: Campus Administrators	Oct	Feb	May	June
Comprehensive Support Strategy	X	X	X	
No Progress Accomplished — Continue/Modify	Discontinu	ie		

Goal 3: Moss Elementary will develop partnerships with Big Spring business organizations, parents, and community members.

Performance Objective 3: Parents and community members will perceive a positive relationship with the campus and its schools as evidenced by data (including but not limited to) district and campus disseminated Parent Involvement Survey.

Strategy 1: Moss Elementary will host, virtually when needed, multiple programs encouraging parental involvement.		Rev	iews	
Strategy's Expected Result/Impact: Allowing the community at large to come and learn about what is happening at Moss, allows for them to be more involved in our educational endeavors.		Formative		Summative
Staff Responsible for Monitoring: Campus Administrators and Teachers	Oct	Feb	May	June
No Progress Continue/Modify	Discontinu	e		

Performance Objective 1: Moss Elementary will support comprehensive district-wide implementation and evaluation of BSISD Curriculum Management Plan

Strategy 1: Provide opportunities to strengthen content knowledge and lesson planning for math, science, reading, language		Rev	iews	
arts, and social studies.		Formative		Summative
Strategy's Expected Result/Impact: Participate in Zoom meeting with counterparts from Marcy Elementary to evaluate lesson plans and assessments.	Oct	Feb	May	June
Staff Responsible for Monitoring: Campus Administrators and Curriculum Department				
Comprehensive Support Strategy				
No Progress Continue/Modify	Discontinu	ie		

Performance Objective 2: Moss Elementary will promote a systematic and effective use of data to improve instruction.

Performance Objective 3: The campus will develop plans that provide for coordinated school health

Performance Objective 4: Moss Elementary will support initiatives to improve district performance within all indicators of the Performance Based Monitoring System.

Performance Objective 5: The campus's academic and supplemental programs will be regularly evaluated for effectiveness in improving student performance.

Performance Objective 6: Moss Elementary will prepare students for higher education or career choices by increasing participation and completion rate while decreasing the drop-out rate

Performance Objective 1: Attendance rate at Moss Elementary will meet predetermined thresholds each 6 weeks as measured by reports generated by TxEIS.

Performance Objective 2: 100% of Moss Elementary instructional staff members will receive professional development on supporting topics which must be completed by designated time line.

Performance Objective 3: Moss Elementary will continue to implement campus safety committees and district-wide discipline management policies and procedures.

Performance Objective 4: Moss Elementary will increase student achievement and academic success by strengthening educational programs and opportunities for all students and staff.

Goal 6: Moss Elementary will coordinate with Region 18 ESC, the Migrant Fiscal Agent, in order to provide all migrant students who met the Priority for Services (PFS) eligibility criteria with quality academic support programs to create a positive impact on student achievement.

Performance Objective 1: 100% of PFS students will have access to supplemental instructional and support services.

Goal 7: Moss Elementary will utilize technology as a tool to foster improvement in academic achievement, curriculum integration, and increased accessibility and innovation.

Performance Objective 1: The campus will strive to have 100% of students achieve technology proficiency and academic success.

Evaluation Data Sources: Student data in accessing HMH, Clever, NWEA, Google Classroom and other programs located on student iPad devices.

Summative Evaluation: None

Goal 7: Moss Elementary will utilize technology as a tool to foster improvement in academic achievement, curriculum integration, and increased accessibility and innovation.

Performance Objective 2: The campus will ensure that all student devices remain operational throughout the year. Campus will replace any device that is not operational to ensure campus remains a 1:1 campus.
