

Big Spring ISD Teacher Appraisal Calendar

In an effort to promote sound instructional practices and comply with Board policy, DNA (LEGAL) requires the District to establish an appraisal calendar for teacher appraisals each year. The calendar must be provided to teachers within three weeks from the first day of instruction. The appraisal period for each teacher must include all the days of the teacher's contract.

The Texas Teacher Evaluation and Support System appraisal cycle begins on August 17, 2023 and concludes on May 23, 2024. The appraisal calendar shall:

1. Exclude observations in the two weeks after the day of completion of the T-TESS orientation; and
2. Indicate a period for end-of-year conferences that ends no later than 15 working days before the last day of instruction.
