## UIL/COVID-19 Guidelines

- We know that our parents, fans, and the community support the Steers and Lady Steers, and watching our student athletes is special to all of us. We also know that being in the stands for these activities is an important and cherished tradition. We regret the disturbance this has caused, and can only hope these disruptions will end in the upcoming 2021-2022 school year.
- Students PK-8<sup>th</sup> grade will be required to sit with parents or guardians during the game. (No student section for the 2020-2021 school year)
- All stadiums and gymnasium capacity will be limited to 50% of the maximum capacity.
- All fans will be required to wear face coverings while entering all BSISD facilities and when physical distancing is not possible in the stands, concession, and in standing areas.
- Our athletic facilities will be marked accordingly in order to assure social distancing, and at the same time allowing our fans to still enjoy the game with their family and/or friends.
- Signs will be posted throughout our athletic facilities reminding all fans to self-screen before attending any athletic competition.
